

West Tennessee **INDUSTRIAL & COMMERCIAL** **INVITATIONAL BASS TOURNAMENT**

It's time again for the **best tournament** on the scenic Tennessee River's *Beautiful Kentucky Lake!*
The 21st Annual West Tennessee Industrial & Commercial Invitational Bass Tournament
Sunday, September 20, 2015

We would like to extend your company a personal invitation to come and compete with other companies in the West Tennessee area for money and prizes. The **entry fee is only \$300.00 per company if you use a credit card there will be a 5% processing fee.** Once the entry fee is paid, a company can send as many boats as they can gather! The money collected from these companies will be split among the winners, from first through tenth place.... and further if more companies participate.

Each company will compete against one another for the prestigious "Best of the Best Bucket Mouth Bass" rotating trophy. In addition, each boat can even compete in an optional "Big Bass Pool."

Your company is asked to provide any possible promotional products, services or gift certificates available. We will generate a list for all participants, including names of all donors and stating prizes given. Depending upon the prizes donated, they may be added to the big list or used as door prizes. This will allow the industries to share amongst themselves and make the tournament a real "prize bonanza!"

The tournament rules will be forwarded upon receipt of commitment. Any inquires can be directed to **Bob Keast** at **731-584-7880** from 8:00 a.m. until 5:00 p.m., Monday through Friday. Overnight accommodations can be reserved through the reservations desk at the same number.
